6. Which species are you seeking permit \*  
to hunt?

The GLT seeks to provide recreational hunting opportunities to as many interested parties as possible each year while maintaining a safe environment for everyone on GLT properties, including those not engaged in hunting activities. This year, the GLT is making 50 permits available for deer and 50 permits available for turkey. To ensure as many hunters as possible are able to enjoy GLT hunting opportunities, please only select the species you intend to hunt on designated GLT properties. In the event we have more than the max number of applicants per species, we reserve the right to limit applicants to a single species.
